

Believe it or not, we are on our way to another great National! Let's fill this catalog up with ad pages to show off what we've been able to get back to in the past number of months, as well as our hopes and dreams for the future. Why not feature an up-and-coming youngster, an expected litter, that new special, and, of course, that much-loved veteran?

Here's your chance to brag about achievements in the ring, in the field, and the many performance events in which our Gordons compete. This catalog will be shared with Gordon lovers here and abroad for many years.

Regional Clubs we'd love to see you represented in our National catalog. Let Gordon owners in your area know you exist, and what you can offer them. Help create your local Gordon community!

The deadline for Ad Submission is April 22
