

Gordon Setter Club of America Membership Renewal Cover Letter

June 19, 2025

Dear GSCA Member,

For your convenience, this is a 2025-2026 membership renewal notice. Reminders will also appear in the Gordon Setter News beginning with the June issue and continuing through the August issue. On the reverse of this page, you will find a renewal form that you may use. Even if your address information has not changed, please complete all fields on the form (city, state, 9-digit zip code, etc.). List your e-mail address only if it's okay for us to publish it and to use it for Club mailings. Dues for the 2025-2026 membership year are due on July 1, 2025, and must be paid no later than August 30, 2025. Please note, under bylaws changes enacted October 15, 2016, there is no longer a 'grace period' to pay your dues.

All renewing members must agree to abide by the Club's Code of Ethics. The code is printed below. ***Renewal of your membership signifies your understanding of and agreement to abide by this Code.*** It is not necessary to sign the Code to signify your agreement.

The GSCA Board of Governors is offering active Gordon Setter breeders the option of listing this information on the renewal form so that their name/contact information can be forwarded to Breeder Referral Chair, Vickee Jones and to the GSCA website, making it easier for individuals inquiring about puppies, adult dogs or stud services to contact you. This is completely optional. By checking the ***"List Me as a Breeder"*** line on the renewal form you agree to the following statements:

- 1) You are an active breeder of Gordon Setters
- 2) You agree to have your contact information [name, state, country, email, website (if any), Social Media account (if any)] published on the GSCA website. Other than name and state, the other contact information is optional. As space is limited on the renewal form, if you will list a website or social media account, please list it on the ***reverse*** of the form or a separate sheet of paper.
- 3) You do not represent your membership in GSCA as an endorsement of any puppies or adults you may offer.

GORDON SETTER CLUB OF AMERICA, INC. CODE OF ETHICS*

This code of ethics outlines the essentials of responsible behavior for Gordon Setter owners and potential breeders, whose foremost aim should be the welfare of their dogs and of the breed.

Members of the Gordon Setter Club of America (GSCA) agree to abide by the club's Constitution, which in Article II defines some of the objectives of the club as follows: "to encourage and promote quality in the breeding of pure bred black and tan Gordon Setters and to do all possible to bring their natural qualities to perfection; ... to urge members to accept the standard of the breed as approved by the American Kennel Club as the only standard of excellence by which Gordon Setters shall be judged, and to do all in its power to protect and advance the interests of the Gordon Setter."

In addition, GSCA members agree to:

- Comply with all American Kennel Club requirements and regulations
- Maintain their dogs in a healthy and clean condition, providing regular veterinary care, proper nutrition and housing, appropriate social experience, and regular exercise in a safe area
- Behave in a sportsmanlike manner and not deliberately disparage other owners, exhibitors or breeders, or their dogs.
- Breed only with the intention of improving the breed, planning each litter with this goal in mind, using parents of appropriate qualities in relation to the official standard and description of the breed, physical soundness, and temperament. Before producing a litter, breeders will consider proper placement of puppies they cannot keep.
- Recognize, when breeding a litter, that they have a responsibility to provide for the welfare of all dogs bred by them for the lifetime of those dogs in the event that an owner can no longer care for a dog.
- Sell Gordon Setters, permit shld service, and lease studs or bitches only to individuals who give satisfactory evidence that they are in accord with this Code of Ethics.
- Not sell or consign Gordon Setters to commercial breeders, retailers, or research laboratories, nor supply dogs for raffles, prizes, auctions or other such projects.
- When advertising, state only facts; not offering Gordon Setters at bargain prices, or in any way encourage raising Gordon Setters as a money-making enterprise. Members may state in advertising, "Member of the Gordon Setter Club of America."
